## TOTAL SOLUTIONS

Tech Craft Advertising & Signs LLC is a total Advertising and Signage Solution Company, with a fully-equipped, industry-leading facility located in Dubai Investment Park 2, Dubai. Every day, a team of dedicated, passionate and creative professionals strive hard to deliver unmatched quality and a variety of contemporary signs; catering to prestigious projects, including but not limited to: Shopping Malls, Corporate Offices, Banks and Financial Institutions, Hospitals, Retail Chains, Restaurants, and Universities.

With significant technical and logistic support from Tech Craft Advertising & Signs LLC, time bound projects and convention signage, visual exhibitions, events and heavy engineering assignments like traffic sign gantries, unipoles, and tri-vision signs may be executed at any volume.

From conceptual designing to installation all kinds of internal and external signs made to order, as per the clients' requirements, at our ultra-modern factory premises aided by the most modern CNC Router, Laser Machine, Digital Printers etc.

In addition, Tech Craft Advertising & Signs LLC is proud to be recognized as market leaders in frosted film works. This sand-blasted effect – on glass – provides ambient light and enhances the privacy of executive corporate office spaces.

## PROJECT CONSULTANCY/MANAGEMENT

Proposing suitable designs and material in consideration of the building architecture, geographical, and statutory requirements. This also includes the preparation of bill of quantity, schematic, final designs and shop drawings according to the layout plan of the building.

Floating tenders, selection of potential suppliers, short-listing suppliers, scrutinizing and finalization of samples and materials and value engineering.

Quality survey at suppliers' factories, during the execution and final quality and quantity verification process.

Verification of as-built drawings, operation and maintenance manuals, taking over certificate, warranty certificate, product data sheets, and re-order formats.

### EXTERNAL & INTERNAL SIGNAGE

A modern shopping mall interior with digital displays and people. The scene is brightly lit with a clean, contemporary aesthetic. In the foreground, a man in a dark jacket and light-colored pants is interacting with a digital queue number display showing '09'. To his right, a man in a blue shirt and tan pants is walking away. Further right, a woman in a blue dress is looking at her smartphone. In the background, there are various digital displays, including one for 'LG gram' laptops and another for 'COVID-19 NEW'. A sign above a glass entrance reads 'Season off'. The overall atmosphere is one of a busy, high-tech retail environment.

**Lead Consultant's Comments:**

Top to be closed same as the 4 sides (aluminum black 8022).  
Symbol color to match the Phase 4 signage.  
~~Ensure the Arabic translation is correct.~~  
Accessories must be SS.  
Refer to images for petals orientation of 4 sides.

Corrections or comments made relative to submittals during this review do not relieve the contractor from compliance with the requirements of The Contract. This check is only for review of general conformance with the design concept of the project and general compliance with the information given in the contract documents. The contractor is responsible for confirming and correlating all quantities and dimensions, selecting fabrication processes and techniques of construction, coordinating his work with that of other trades and performing his work in a safe and satisfactory manner.

Subject: Appreciation Letter  
Project: EXPO 2020 Projects

Dear Sir/Madam,

We hereby express our gratitude and appreciation for the huge effort, support and cooperation provided by Tech Craft Advertising & Signs L.L.C to ALEC Engineering and Contracting LLC in accomplishing and completing the below listed projects for Expo 2020 in an honorable and prestigious manner, with great professionalism and in compliance with the project programme.

- Expo Live Pavilion (Metalwork)
- Welcome Plaza (Expo Overlay -Metalwork)
- Al Farwania (Signage)
- Al Reef Bakery (Signage)
- Country Pavilion (Signage) for Argentina, Uruguay, Panama, and Iraq Pavilions

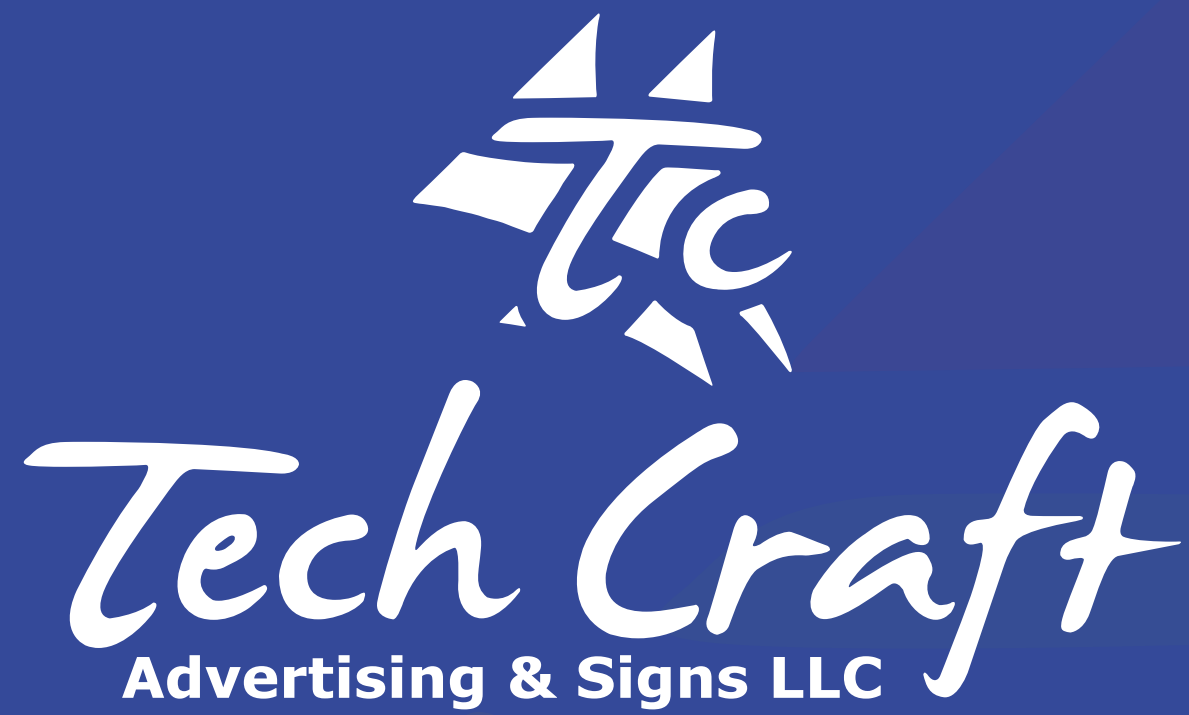

We applaud the high standards upheld during the engineering, fabrication and installation of works on these Pavilions whilst under immense pressure with the short project durations to meet the opening of the Expo 2020 event. Credit must be given to the entire Tech Craft Advertising & Signs L.L.C team, with special mention to Ms Abeer for stepping in and providing unconditional support and solutions to the ALEC project team during execution of these complex projects for Expo 2020.

We would take this opportunity to thank Tech Craft Advertising & Signs L.L.C for all the support and cooperation provided and look forward to continued success and building on the good business relations established thus far.

Yours faithfully,  
**For and behalf of ALEC Engineering and Contracting L.L.C.**

**Abdul Qayum Nacerodien**  
**Commercial Manager**
